

Welcome to TQUK

TQUK creates opportunities for people. Everything that we do is done with that in mind: designing qualifications that pop out from the crowd and give people skills and knowledge to do the same. Those who take our qualifications see real change in their lives, careers and personal outlooks.

We champion innovation, creativity, flexibility and dynamism in the approaches that those who deliver training and assessment to learners use. We always listen and look to say 'yes' to as many projects and requests as we can. We just happen to be an awarding organisation.

It doesn't sound that exciting, but that's because we're here to help others do what they do best, not tell them how to do it. Our qualifications are just the start for our centres and their learners, and we develop them with the end game in mind. We've been humbled by the faith that our customers have put into us since our approval in September 2013 and remain committed to repaying that commitment through constant improvement and delivery of the very best products and services that we can provide. We're also delighted that new customers are choosing to work with us on a daily basis. We don't take this for granted, and we take our responsibilities to you seriously. We're developing systems, pioneering change and working with experts across the awarding and apprenticeship sectors.

I'm really pleased to be introducing our Qualifications Price List. We work all year round to refine and improve our portfolio and find ways to offer the best value for money. Here you will find all the information that you need to do the sums and plan your year ahead: about how to come on board and be part of the story. That's the boring stuff for us. The fun is getting to know you, learning how you work, talking about how we can help. Let this brochure be the start: call and chat with us about what you need and what you want, or even just tell us about your holiday! Give us an opportunity to introduce you to the TQUK way. We do things differently here.
